<p>A wine sought by collectors around the world for its history and unique style. As the story goes in the 16th century when the lords of the house of Bourbon ran out of red Bordeaux wine, they would look immediately to Campagna for their prestige wines to be imported to the royal court. This blend of Cabernet, Merlot and Aglianico is a nod to both ancient and modern winemaking traditions.</p>	
Galardi Terre di Livorno 2009	120
<p>A powerful and quintessential Italian wine made from the black-skinned ancient varietal aglianico and its even more rustic and spicy counterpart piediroso made in all volcanic soils. This wine is a powerful, earth and mineral driven wine with a compact core of fruit that is refined and delicious. It is produced from a family that focus all their efforts into this one unique bottling.</p>
